

## PERFUMED DESCALING GEL FOR WC AND BATHROOMS

- ✓ Energetic acid cleaner in the form of a gel that favors the adherence of the product to the surfaces and the elimination of encrustations and rust stains.
- ✓ It has a high concentration, which allows it to be applied at low doses, guaranteeing thorough cleaning and odorization of the treated surfaces.
- ✓ Scented and easy-to-rinse formulation that does not produce vapors or annoying odours.
- ✓ Ideal for deep cleaning of W.C., urinals and toilets with calcareous deposits, oxides and tartar.

### HOW TO USE:

Apply the pure product on the edges and walls of the toilet bowl or on the toilets, leave it to act for a few minutes, rub and rinse. In case of persistent dirt, repeat the operation. Do not use on surfaces sensitive to acids (marble, aluminium, zinc... etc).

### PROFESSIONAL USE ONLY

#### TECHNICAL INFORMATION
