

**EXTRA BIOBIOALCOHOL  
GLASS CLEANER**

◆ Liquid detergent specially formulated for cleaning windows, easily removes dirt adhered to windows and mirrors, providing shine and transparency. Eliminates dirt and bad odors on doors and office furniture, leaving a pleasant clean scent.

◆ The use of professional cleaning products facilitates the work and provides the best result.

**Application fields**

Suitable for use in the food industry. Indispensable in cleaning companies, caf, restaurants, bars, schools, toilets, shopping centers and public places.

**Method of use**

Use pure with NOT dilution, spraying it directly on the surface to be cleaned, then rubbing and drying completely with a clean, dry cloth.

To clean surfaces with a high degree of dirt, you can use a sponge or cloth moistened with the product to lightly rub over the dirt and then wipe with a dry cloth to achieve a perfect finish.

**Properties**

Product with high cleaning and degreasing power, dissolves dirt instantly without leaving traces. Its high content of bioalcohol and its low surface tension makes it evaporate quickly and homogeneously. Leaves surfaces residue-free, clean, shiny, veil-free and pleasantly scented.

All-purpose cleaner for smooth surfaces without pores such as aluminum, marble, tiles, glass, office furniture, stainless steel. and Formica, easily removes any type of greasy dirt, nicotine, fingerprints, etc., that we can find in offices, classrooms or dining rooms.
